

Heanjia Super-Metals Co., Ltd

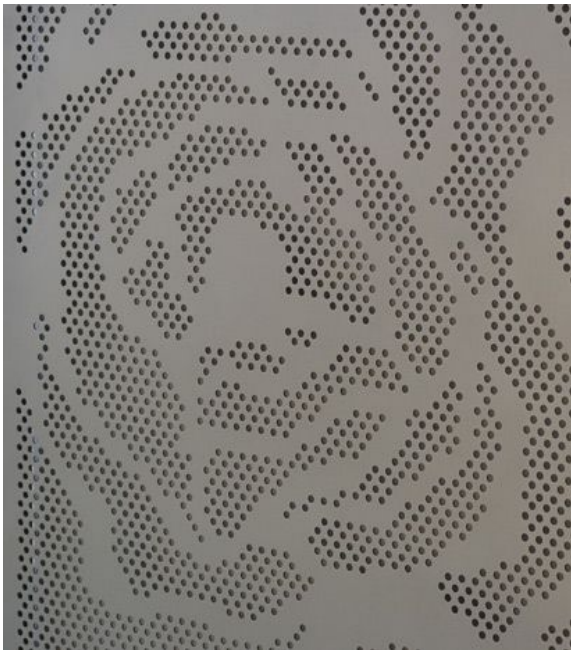

Monel K-500 Mesh

Monel K-500 Woven Wire Mesh

Monel K-500 Expanded Metal

Monel K-500 Perforated Metal

Monel K-500 Sintered Mesh

Heanjia Super-Metals produces Monel K-500 mesh for chemical filtration applications using the best quality material grades that ensure quality performance in addition of prolong use. We can customize the mesh sizes as per customer's requirements inside our production unit that guarantees minimal time and hence quick delivery.

Monel K-500 Mesh is made in the various styles:

- **Monel K-500 Wire Mesh**
- **Monel K-500 Expanded Metal**
- **Monel K-500 Perforated Metal**
- **Monel K-500 Sintered Mesh**

Monel K-500 Mesh Applications

Sea water processing systems	Chemical treatment	Screening, sieving, sifting	Distillation towers
Aerospace	Petroleum refining	Waste water treatment	EMI shielding

Monel K-500 Mesh Specifications

Mesh (Per Linear Inch)	Wire Diameter	Width of Opening	Open Area
8 x 8	0.0280 in	0.0970 in	60.20 %
10 x 10	0.0250 in	0.0750 in	56.30 %
12 x 12	0.0230 in	0.0600 in	51.80 %
20 x 20	0.0160 in	0.0340 in	46.20 %
30x30	.011 in	.022 in	44.8 %
30 x 30	0.0130 in	0.0203 in	37.20 %
40 x 40	0.0100 in	0.0150 in	36.00 %
60 x 60	0.0075 in	0.0090 in	30.50 %
80 x 80	0.0055 in	0.0070 in	31.40 %
100 x 100	0.0045 in	0.0060 in	30.30 %
120 x 120	0.0036 in	0.0047 in	32.26 %
150 x 150	0.0026 in	0.0041 in	37.20 %
200 x 200	0.0021 in	0.0533 in	33.60 %
